

Horizons Program 3.0

SHAPING THE TECHNICAL FUTURE OF RAIL

INFORMATION AND NOMINATION FORM

Horizons Program 3.0

RISSB is offering a unique opportunity to up and coming young professionals in the rail industry to be part of shaping rail's technical future. Starting in February 2021, the Horizons Program 3.0 will:

- Provide a forum for knowledge sharing and learning.
- Extend the participant's professional network both within and outside the industry.
- Provide participants with the skills to drive and manage change.
- Engage young professionals to provide technical input into RISSB's and the industry's future.
- Assist in improving the safety and productivity of the rail industry through RISSB products.

The Horizons Program 3.0 will bring benefits to the young professional, their organisation and the industry more broadly.

Who can apply?

The Horizons Program 3.0 is open to all of industry. It is expected nominees will be highly regarded within your organisation, be keen and interested in the program, able to attend ALL stages of the program and be prepared to learn and contribute.
