

Type / Number	Project
Module	National Rules (Projects)
Guideline	Mobile Devices in the Rail Corridor
Hand Books	National Rules (Projects)
Commissioned	Victorian Network Rules and Procedures
Guideline	Rail Cyber Security
Assessment Tool	Rail Cyber Security
Guideline	Security Handbook Vol 1 & 2
AS 7473	Complex Systems Integration in Railways
Guideline	Good Practice in the Management of Rail Driver Health and Wellness
Guideline	Rail Emergency Management Planning
Guideline	Systems Safety Assurance
AS 7472	Management of Change
AS 7471	Australian Rail PPE
Code of Practice	Environmental Management in Rail Construction
AS 7479	Collision Avoidance and Proximity Warning on Track Maintenance Vehicles Including Road Rail Vehicles
Guideline	Configuration Management for Railway Contractors
Guideline	Human Factors Integration to the Project Lifecycle
AS 7561	Axle Counters
AS 7724	Rolling Stock Runaway Protection
AS 7659	Points Locking and Detection
AS 7704	Train Control Systems Change Management
AS 7703	Signalling Power Supplies
Code of Practice	Rail Cyber Security in Train Control Systems
AS 7705	Level Crossing Monitoring Systems
AS 7701	Human Integration of Train Control Systems
AS 7658	Level Crossings
Guideline	Network and Operations Performance

Type / Number	Project
AS 7457	Management of SPADS
Code of Practice	Management of Rail Traffic with Unreliable TCs
AS 7460	Operation of Remotely Piloted Aircraft Systems (Drones) on the Railway Network
AS 7511	On Board Train Protection Systems
AS 7514 R	Wheels
AS 7518 R	Suspension
AS 7524 R	Couple and Draw Gear
AS 7528	Interior Communications
AS 7530	Electrical Systems
Guideline	Safety Assessment of Rolling Stock
Code of Practice	Rail Cyber Security in Rolling Stock
Code of Practice	Driver Only Operations
AS 7501 R	Rolling Stock Certification
Guideline	Requirements for the Procurement of Rolling Stock
Guideline	Light Rail Urban Design Safety
AS 7643 R	Track Stability
Code of Practice	BIM
AS 7633 R	Track Clearances
Code of Practice	Derailment Protection for Rail Underbridges
AS 1085.22	Specification for Alternate Material Sleepers
AS 1085.1	Steel Rails
AS 1085.14	Prestressed Concrete Sleepers
AS 1085.20	Railway Track Material Welding of Steel Rail
AS 1085.21	Turnouts, Switches and Crossings
